French	Intermediate
English	Intermediate

CAD / CAM SOFTWARE

- CATIA V5
- SolidWorks
- GibbsCAM

OFFICE TOOLS

- Word
- Excel
- PowerPoint

TECHNICAL SKILLS

- Mechanical design & modeling
- Computer-aided manufacturing
- Materials & process selection
- Continuous improvement
- Industrial drafting & standards

PROJECT MANAGEMENT

- Requirements & spec writing
- Planning & action tracking
- SMART, RACI frameworks
- PESTEL, SWOT analysis

PROFILE

Having completed the first year of a Master's degree in Innovation and Technology Management (MIT), and holding a professional Bachelor's degree in Industrial Production, Mechatronics track, and an Advanced Technician Diploma (BTS) in Industrial Product Design, I am looking for an opportunity to put into practice the knowledge gained throughout my academic path. Motivated to learn and contribute to real projects, I have skills in industrial project management, continuous improvement, process analysis, mechanical design, and computer-aided manufacturing (CAM).

PROFESSIONAL EXPERIENCE

Final-Year Internship — Mechatronics Apr – Jun 2025
Gentherm, Tangier

- Designed mechanical parts and assemblies using CATIA V5
- Analyzed an industrial sewing machine and identified improvement opportunities
- Contributed to improving the technical performance of the production line

Technical Internship — Industrial Refrigeration May – Jun 2024
Freezer, Mohammedia

- Took part in manufacturing cold rooms and installing refrigeration systems
- Supported maintenance and repair work on refrigeration equipment

Introductory Internship — Product Design Jul – Aug 2023
Polydesign System, Tangier

- Designed industrial products using CATIA V5
- Produced 3D models and 2D drawings of standard mechanical parts
- Applied industrial drafting standards rigorously

TECHNICAL PROJECT

Design of a Multi-Joint Robotic Arm 2023 – 2024
Final-Year Graduation Project

- Led the full 3D design and modeling process in CATIA V5
- Studied and sized the mechanical components
- Mechanically integrated the motors to ensure the arm's operation

EDUCATION

Master 1 — Innovation & Technology Management (MIT) 2025 – 2026
ENSAM, Rabat

Bachelor's Degree in Industrial Production — Mechatronics 2024 – 2025
École Supérieure de Technologie (EST), Fez

Advanced Technician Diploma (BTS) — Industrial Product Design 2022 – 2024
BTS Preparatory Center, Safi

Baccalaureate — Mechanical Sciences & Technology 2021 – 2022
Lycée Qualifiant Jaber Ibn Hayane, Youssoufia
